

Insurance Live Online Class Offering

Lines of Authority

Available for Life, Health, Life & Health, Property & Casualty, Personal Lines

Class Options

Public and private classes available

About

Reduce the stress of self-study! Live Online Classes focus on exam preparation, equipping students with the knowledge and skills needed to confidently tackle their exams.

- Candidates who participate in live classes are more likely to complete their course.
- We have seen a **50% lower attrition rate** for candidates who participate in live classes.

LIVE CLASSES INCLUDE:

Structured learning

Classes provide a structured curriculum to cover highly testable topics for certification exams

Interactive Learning

Classes provide a dynamic learning environment with Q&A, group activities, and study tips.

Expert Guidance

Qualified instructors with professional experience provide guidance and insights, helping students navigate complex concepts and exam strategies

Peer Support

Classes provide peer interaction, sharing experiences, and motivation to succeed.

Public vs. Private Classes. Why book private classes?

- **One-on-One Attention:** Students benefit from personalized instruction and dedicated time with the instructor, allowing for deeper understanding and clarification of concepts.
- **Tailored Content:** The learning outline is customized to meet the specific needs of the state or organization, ensuring relevance and alignment with exam requirements.
- **Flexibility:** Private classes offer flexibility in scheduling, allowing clients to choose dates and times that suit their availability.
- **Customized Pace:** Instructors guide students to learn at their own pace, ensuring thorough understanding of each topic before moving on.

Live Class Component Descriptions

****State Specific Regulations:** Only available for focused state classes. There will be self-study time in multi-state classes for state regulations.

EOD Recommendations: Instructor will check Elite Analytics and student question to give suggestions on what to review before post-class.

Self-Guided Practice Exam: Students will complete a practice exam. Results will be used to help determine pain points and review topics.

Course Guided Discussion: Instructors will work through the course with the students with time for self-guided reading, videos, and quizzes.

Previous Day Review: Content review with slides or online course based on class performance (Elite Analytics) and testing.
